

Project Business Case

Project Name	A Wiki Project		
Project Sponsor	Noreen Jameel	Project Manager	Syed Noman Sherazi
Date of project approval	31/01/2020	Last Revision Date	18/03/2020
Contribution to Business Strategy	Our strategy is to provide a best platform for FYP students to compare two project management tools and choose one which suits them better. It will ensure that comparison is generic and detailed enough so students will be able to choose one.		
Options Considered	Options considered included: <ol style="list-style-type: none"> 1. Comparison of two tools of project management 2. Tools should be free of cost 		
Benefits	<ol style="list-style-type: none"> 1. Quicker Selection- Students can select project management tool very quick by comparing tools 2. Available online 24 hours 		
Timescales	2 Months		
Costs	Software cost = \$250,000 Project management = \$90,000 Software team of 3 person for 2 months = \$60,000 Total Cost = \$400,000		
Expected Return on Investment	Students usage per year = \$1 Internet charges per month = \$0.5 Interest increase on inter charges per year = 12% No. of students per semester = 250 No. of semester per year = 2		
Risks	Right now, the project looks straightforward but there are still some unknowns surrounding implementation. There is also the risk that the project doesn't meet the customers need. For this reason, we will involve customers closely.
